

Name : _____

Answer key

Divisibility Rule

A) Circle the numbers that are divisible by 3.

24,965

9,463

4,716

137,337

100,024

531

3,075

27,684

6,791

295

747,228

34,865

971,365

51,367

38,709

8,223

44,851

80,022

B) Circle the numbers that are divisible by 6.

21,420

124,697

3,378

3,421

60,045

444

943

26,795

8,433

961,338

41,616

9,702

6,936

51,924

311,112

4,301

647,960

99,909

C) Circle the numbers that are divisible by 9.

854,312

86,706

5,641

927

78,945

367,452

778,779

3,146

40,824

10,075

5,760

673

94,312

295,488

2,019

186,003

34,795
